Dear Friend:

It gives me a great deal of pleasure to invite you to the Iberville Talent Machine's spring production of "Pets." "Pets" will be presented on Tuesday, May 5, and Wednesday, May 6, 2009, 7: 00 pm at the MSA West Academy Campus auditorium; and Friday, May 8, 2009, at 7:00 pm at the MSA East Campus Community Center in St. Gabriel, Louisiana. Tickets are only \$2 each and can be purchased at the School Board Office and all public schools in the parish.

"Pets" is a comedy about the relationship and correlation between pets and humans. It is a play that takes a rather sarcastic view of humans from the minds, hearts, and souls of their pets – both traditional and not so traditional! You decide where you fit in this strange, magical, imaginary world of fun and costumes!"

We certainly hope that you will be able to join us.

Thanks again for your continued support. If you have any questions, please call 687-6845.

Cordially yours,

Elvis J. Cavalier, Executive Director
